Chapter 1 by Firyred

I am going to tell a story, the story about that boy, the boy wonder. Once upon time there was a kid called Wonder. He was really friendly until that day. His friends were not nice that day they called him girl and scaredy cat. He felt sad with those mean comments so I stepped to asked him "are you ok". He said "I am all right just thinking of something". So I felt him alone, but I felt sad seeing him alone I told him "want to be my friend?". He looked at me and said "Sure". Days passed by he told me about himself his parents died but he said he did not know who. That reminded me that my dad used to kill people for money, but he stopped. I was thinking about my dad, I felt like my dad killed his parents, but that was long time ago so I forgot about it. He told me do you want to go to my house. Wonder said "Sure". He looked excited to go to my house and my mom was dying to see Wonder. So when we got to my house he stopped for a second. I told him what was wrong he said "It reminds me of my parents death. So my mom knew he was coming she baked cookies for us. Wonder saw my dad and stopped again like he knew my dad but that sound weird because he just met him right now. Then my dad saw him like he knew him too. He ran to the kitchen and told my mom "Was that the kid that..." My mom answered "Yes I know we have to kill him". So they got knives Wonder saw and he had a pocket knife. My dad threw the knife and wonder died but he turned to a ghost and killed my parents. He looked at me and said "Sorry"

and he killed me that's the story of the boy wonder he try to makes people lives horrible.
